

First Province Of Wales Curling Club

Paying for Curling 2016/17

Membership Fees

Membership Fees for 2016/2017 are:-

- Adult £50.00
- Junior £25.00
- Social £20.00

Ice Fees

We encourage all members to pay ice fees for each term by purchasing a season ticket, this offers a discount on the cash price and improves the finances of the club by making our income more predictable (remember we have to pay Flintshire County Council the same amount each week for hiring the ice rink regardless of how many members play). A season ticket entitles you to play for every game organised for your team and to substitute for other teams on your off week at no extra cost. Ice fees can still be paid in cash each week.

The ice fees for the 2016/16 Autumn term were set at the AGM and have increased from last year with the aim of generating a surplus which will be transferred to the new ice facility fund, the agreed fees are;-

Ticket	Includes	Cost per game	Cost for term
Adult season (8pm)	8 league games 3 post league games including christmas grand match	£12.50	£137.50
Adult season (6pm)	10 league games 2 post league games including christmas grand match	£12.50	£150
Junior/wheely season (6pm)	10 league games 2 post league games including christmas grand match	£6.60	£79.20
Adult cash game		£13.50	
Junior/wheely cash game		£7.50	

How to Pay

We can accept cash and cheques, at present we do not have a facility for card payments.

Membership fees and season ticket fees can be paid to the membership secretary/treasurer the first week that you play this season.

Cash ice fees are placed in the envelope with your score card.

Score Cards

The score card for each game needs to be filled in completely and accurately to allow the games secretary to check that your players have complied with the rules for substitutes and to allow the treasurer to check that the correct fees have been paid, so please follow these simple rules:-

- Fill in the team name
- Fill in the names of the players
- If the player has a season ticket mark S against their name
- Write down the total amount of cash
