

First Province Of Wales Curling Club

Paying for Curling 2018/19 spring term

Membership Fees

Membership Fees for 2018/2019 are:-

- Adult £50.00
- Junior £25.00
- Social £20.00

Ice Fees

We encourage all members to pay ice fees for each term by purchasing a season ticket, this offers a discount on the cash price and improves the finances of the club by making our income more predictable (remember we have to pay Aura (the company who operate Flintshire Council's leisure facilities) the same amount each week for hiring the ice rink regardless of how many members play).

The season now has eight weeks (21/01/19 having been cancelled) and season tickets are priced on the basis that all teams will play a combination of league and non-league games giving eight weeks curling. Most teams have four players so you will be offered a game every week, if you are in team with five players and want to buy a season ticket please speak to me.

Ice fees can still be paid in cash each week.
